**Disability Tax Credit for Learning
Disabilities**

Join Mike Campagne, President of DTS Disability Tax Services Ltd. and learn how your child could be potentially eligible for benefits within the tax system.

Mike and his team provide consultation and preparation services in disability tax matters, with a focus on assisting families with a child with an invisible disability. Mr. Campagne will speak on the complexities of the disability tax credit, medical expenses and tuition expenses, and related benefit programs. To try and tailor the presentation to areas most relevant to his audience, Mike devotes half or more of his allotted time to Questions & Answers.

Mike has an avid interest in neuroscience and a lifelong love of endurance sports; he recently completed the Ironman Canada triathlon in August 2009.
