

Learning Disabilities Association - Fraser South Chapter is offering affordable summer tutoring for any student aged 7 to 14 struggling with reading, writing and/or math skills.

# Summer 2009

## One to One TUTORING

### Choose from Literacy or Math Tutoring

**LITERACY** tutoring will provide skill development in the areas of reading, spelling, comprehension and writing.

**MATH** tutoring will provide help for students who are having difficulty with any area of the elementary Math curriculum, or who simply need to practice their skills over the summer months.

- ✓ Initial assessment identifies student's learning challenges
- ✓ Lesson plans are developed to target the student's needs
- ✓ Student progress is monitored by a special education teacher
- ✓ Daily written feedback to parents
- ✓ Thirteen One-hour daily sessions; times between 10 am and 6 pm
- ✓ Affordable fees; some partial subsidies available for those that qualify\*

Please register by phone or in person at the LDAFS Resource Centre 604-591-5156

*Sign up your child early – spaces are limited.*

Register for one or more program sessions. One hour sessions are available between 10 am and 6 pm. We will try to accommodate your request. Call to confirm availability.

|                       |             |        |
